READING IS ALL THE RAGE AT THE RISK

Lots of books are being devoured by ravenous readers at The Risk Public School. All students are participating in the Premiers Reading Challenge and students are also reading lots of texts throughout their school day. In the K-2 class, students read to an adult in the Book-a-night program. They also do Reading Box activities and Reading Eggs on the computer. Mrs Petherbridge also reads lots of shared texts to the class. The primary class do Reading Box, reading Express and are currently listening to an Australian history novel called “The Grace Stories”

**WEDNESDAY 25 JUNE**
**COMMUNITY ASSEMBLY: 2.30pm**
Our school will hold its next community assembly next Wednesday 25 June with lots of awards, items and entertainment from our wonderfully talented students.

We encourage parents, carers and relatives to come along to enjoy the entertainment presented by students.

**PRIMARY STUDENTS’ COSTUME:** Mr Mac is asking students in the primary class to bring along a costume for their assembly item. We are studying British Colonisation so we would like to dress up as convicts, early settlers, soldiers or farmers. Boys Convicts: old yard clothes, no shoes Early Settler: jeans, flanno shirt and boots or long dress and bonnet for girls. Soldier: red coat, white pants and boots.

**NATIONALLY CONSISTENT COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY – 2014**
Our school is participating in the collection of nationally consistent data on school students with disability.

We will be collecting information already available in the school about the support that is being provided to students with disability. Better data will help the Government plan for students with disability.

The data collection will have no direct impact on your child and they will not be involved in any testing process.

Some students who have not been diagnosed with an official disability may be included in the data because they receive special support in their learning, eg, reading support, extra help with writing or maths or an adjusted program. Parents of students who will be included in the data will be contacted individually.

**CWA BOTSWANA PROJECTS FOR TERM 3**
**DUE DATE BROUGHT FORWARD**
The annual projects for CWA will be held once again and students in the various age divisions will be completing projects or colouring in sheets to enter the competition.

Students will complete their projects at school but students are more than welcome to do research at home and bring items into school to help make their project colourful and unique.

**Projects** will be due to be handed in by **Friday 27th June** - that’s next Friday!

**ATTENDANCE STATS LOOKING BETTER**
Our school attendance rates are on the improve so far this year with a 97% attendance rate across the school! That is an improvement of a whopping 7% compared to 2013.

Congratulations to all families and students for a fantastic commitment to regular attendance at school.

There are also some amazing individual efforts with 4 students who have not had a single day off this year! That’s amazing!
