### COLOURSS SCIENCE DAY

The six COLOURSS schools converged on Wiangaree, The Risk and Rukenvale yesterday to celebrate National Science Week. Students worked with each other in the same age/grade at each venue with teachers who had prepared special lessons to compliment the “Science Feeding the World” theme. From all reports (and smiles and stories this morning) everyone had a very exciting time with their Science Day lessons!

**Left**: Maggie and Jack were very ‘eggcited’ to be making a model chicken nesting box out of a variety of materials.

Mr Mac was ‘eggstatic’ with the results!

**Right**: Hamish was thinking up a really cool design for his ‘eggcellent’ chicken nesting box.

**Left**: Anika is using ‘eggstreme’ caution in constructing her nesting box.

**P & C Meeting**

8th Sept.

All Welcome!
**ZONE ATHLETICS RESULTS**

Last Friday, 8 students from The Risk PS went to Lismore to compete in the Zone Athletics Carnival. Despite a lot of illness our students performed to their best on the day.

Whilst we don’t have anyone going onto the Regional Carnival, we can be proud of all efforts. Some standout performances were - Annie leapt a personal best 3.70m in long jump and made learning ideas of the other wonderful teachers in our COLOURSS network.

**SMALL SCHOOLS TOUCH FOOTY KNOCK OUT THURSDAY 28 AUGUST @ KYOGLE FOR YRs 3/4/5/6**

The Risk PS Primary Class is participating in the State-wide Small Schools Touch Footy Knock Out this year against Rukenvale and Old Bonalbo. Whoever wins 2 games goes to Sydney for the finals in September!

We play the round games next Thursday at New Park, Kyogle. We will play a few games so the day will start from 10am and finish up around 1.30pm.

Time: Leave TRPS at 9.15am, return by 2.30pm

Transport: Mr Mac can provide transport for 4 students and if we can ask for parent transport assistance for 9 others, that would be great.

What to bring: students are to wear full school uniform, others, that would be great.

**BEFORE SCHOOL ASSESSMENT**

Starting school is a big step in every child and parent’s life. Naturally you will want the start to be the best possible. To give your child the best possible start, have their -

- Vision
- Language
- General Development
- Hearing
- Fine & Gross Motor Co-Ordination Skills
- Speech

Assessed before they start school. Assessment takes about 1 hour. Telephone Kyogle Community Health Centre on (66 300 488 for an appointment. THIS IS A FREE SERVICE. Children must be 4½ years old or older.

**REAL LIFE TOUCH FOOTY AT BARKERS VALE PS**

Our final COLOURSS activity for term 3 will be our participation in the INTERSPEAK public speaking competition at Barkers Vale PS. We entered this competition for the first time last year and our 4 speakers were highly commended for their efforts.

Our primary students have been busy learning more about public speaking this year and we will again enter 4 students in the competition: 2 from Yr 5/6 and 2 from Yr 3/4. Our whole primary section will go along to watch and provide moral support for our speakers.

The Infants class will also travel to Barkers Vale for the day to take part in some combined creative art activities with the other COLOURSS Infants classes.

At this stage we will look at private transport again so keep an eye out for the permission note in coming weeks.

**MOBILE DENTAL SERVICE**

Reminder for the Mobile Dental Service -

Any parents wanting information and permission forms sent home to ring the school office 66 366 127. This is a fantastic opportunity to get your child/children’s Dental needs checked and met if needed. The check up days are Sept 1st and 2nd. If further treatment is needed it will be early in term 4 and you will be notified by mail.

Permission Forms are due back before the 26th Aug.

**PREMIERS READING CHALLENGE**

There are only 3 days till the end of the PRC! Many of our senior students are close to their 20 book target. Please encourage your children to read over the next few weeks so they can complete the challenge.
